Instructions for authors and copyright transfer form are printed in the first issue of each volume. Please conform to these instructions when submitting manuscripts.

Manuscripts for publication should be submitted to the Editor, Clayton H. Heathcock, at his Berkeley, CA, address.

Correspondence regarding **accepted papers and proofs** should be directed to the Journals Department at the address above.

Page charges of \$25.00 per page may be paid for papers published in this journal. Payment does not affect acceptance or scheduling of papers.

The American Chemical Society and its Editors assume no responsibility for the statements and opinions advanced by contributors.

Registered names and trademarks, etc., used in this publication, even without specific indication thereof, are not to be considered unprotected by law.

The document number appears at the end of each article. A document number is a nine character code that is unique to each article and is assigned during the editorial production of the manuscript. It serves as a link between the documents in the printed product and the electronic products (CJACS Plus Images and journals on CD-Rom) and makes it easy to retrieve the full text of the exact article.
